# Insurance Policy for the rights and dues of Non-Saudi employees in private sector institutions

## Insurance Policy for the rights and dues of Non-Saudi employees in private sector institutions

**1. What is Insurance Policy for the Rights and Dues of Non-Saudi Employees in the Private Sector Institutions.**

The policy covers non-Saudi employees in institution that fails to pay the wages and dues of eighty percent (80%) or more of its employees for six months or more, according to the classification of the Ministry of Human Resources and Social Development.

**2. Who is the beneficiary of this policy?**

The non-Saudi employee who is registered at the defaulting institution according to the laws and regulations of the Ministry of Human Resources and Social Development and whose name is registered in the defaulting institution's payroll register with an employment contract and holding a valid Iqama during the insurance policy cover period.

**3. Who are the categories of workers excluded from insurance coverage?**

1- Workers of fully governmental institutions.
2- Domestic Workers and alike.
3- Seasonal and temporary workers.
4- Expatriate workers whose entry to the Kingdom did not exceed (90 days).

**4. Is work permit validity required for the worker for compensation eligibility?**

The work permit of the worker is not required to be valid to receive the compensation.

**5. What is the limit & exclusions of the insurance Cover?**

The policy covers a maximum compensation of SAR 30 million for all beneficiaries within one defaulted institution.
Coverage does not include default caused by wars, terrorist acts, natural disasters, epidemics and pandemics, nuclear radiation, and other compensations that are not related to wage such as end-of-service indemnities.

**6. What is the insurance Coverage limit of the employee?**

The worker is compensated with the total delayed wages as registered in GOSI for a maximum period of 6 months and a maximum limit of SAR 17,500, in addition to a return ticket with a maximum of SAR 1,000.

**7. Will the worker in a defaulted facility be required to leave the Kingdom to receive insurance compensation amounts for his rights?**

The worker is not required to leave the kingdom to receive the claim, they can also receive the claim even if they transferred sponsorship to another institution.

**8. Does the policy cover employee's travel ticket to leave the Saudi kingdom and return to his country?**

The worker is directly compensated for the return ticket with a maximum of SAR 1,000 subject to providing the insurance company with a copy of the final exit visa and a copy of a confirmed return ticket.

**9. Will the employer (facility) sponsoring the workers who are claiming compensation be notified, and how?**

Yes, the facility will be notified through the officials means of communication, and it will be granted a period of (10) working days to object, and in the event of no objection is received, the workers are deemed entitled for the compensation subject to the insurance policy terms & conditions, and then the insurance company will claim back the employer (facility) with the cost of claims.

**10. How can I submit a claim?**

The beneficiary will be able to submit a claim through a digital platform that will be launched and announced soon.

**11. Should I submit the claim first to the insurance company or to the Ministry of Human Resources and Social Development?**

The beneficiary will submit the claim of delayed wages to the insurance company taking in consideration policy terms & conditions.

**12. What are the required documents to submit a claim?**

- Copy of residency
- Copy of Passport
- Employment Contract
- Copy of latest salary slip
- Copy of the report submitted to the ministry in notification of delayed wages.
- A report of the cases filed by the worker at the Friendly Settlement for Labor Disputes or the Justice authorities.

**13. What is the regular period for compensation?**

Within 45 calendar days of the completion date of the documents for all beneficiaries of the defaulted facility and the approval of the Ministry for the status of the facility to be officially defaulted and the eligibility of the compensation amount.

**14. If the iqama is not valid, can the employee submit a claim?**

Residency validity is not a condition to submit a claim.

**15. How can I check if I am covered under this policy?**

You can check your insurance cover through the company's digital platform using your residency ID number.

**16. Will the return ticket be booked by the insurance company or the employee?**

The compensation is paid directly to the beneficiary considering the following conditions:
- Provide a copy of the final exit visa.
- Provide a copy of the confirmed return ticket.
