7 - Manage My Booking

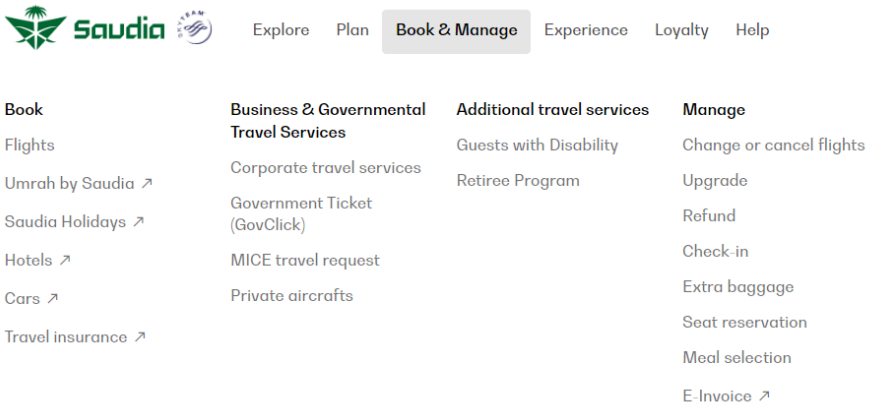

Step 1

Account Creation

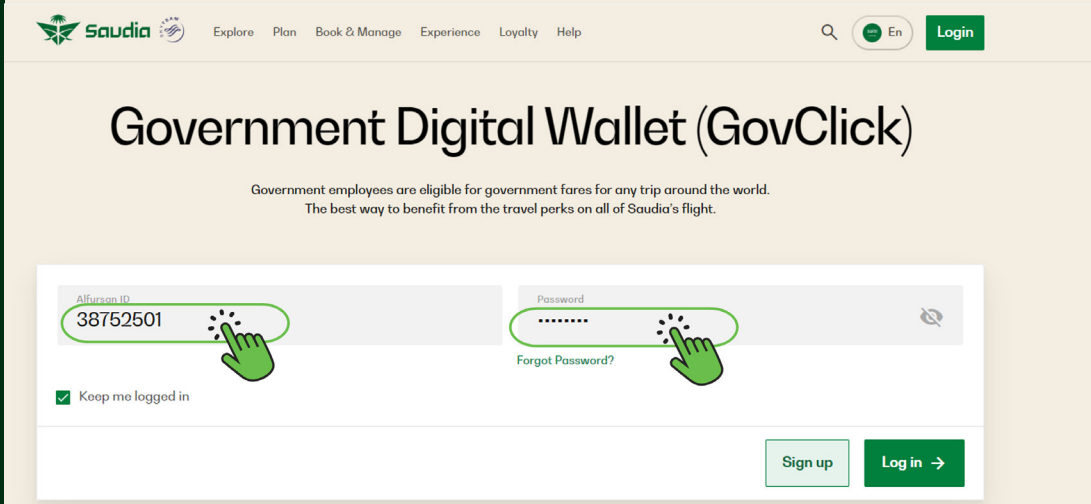

To create an account for the GovClick service for tickets, visit the website saudia.com, then select "Book & Manage".

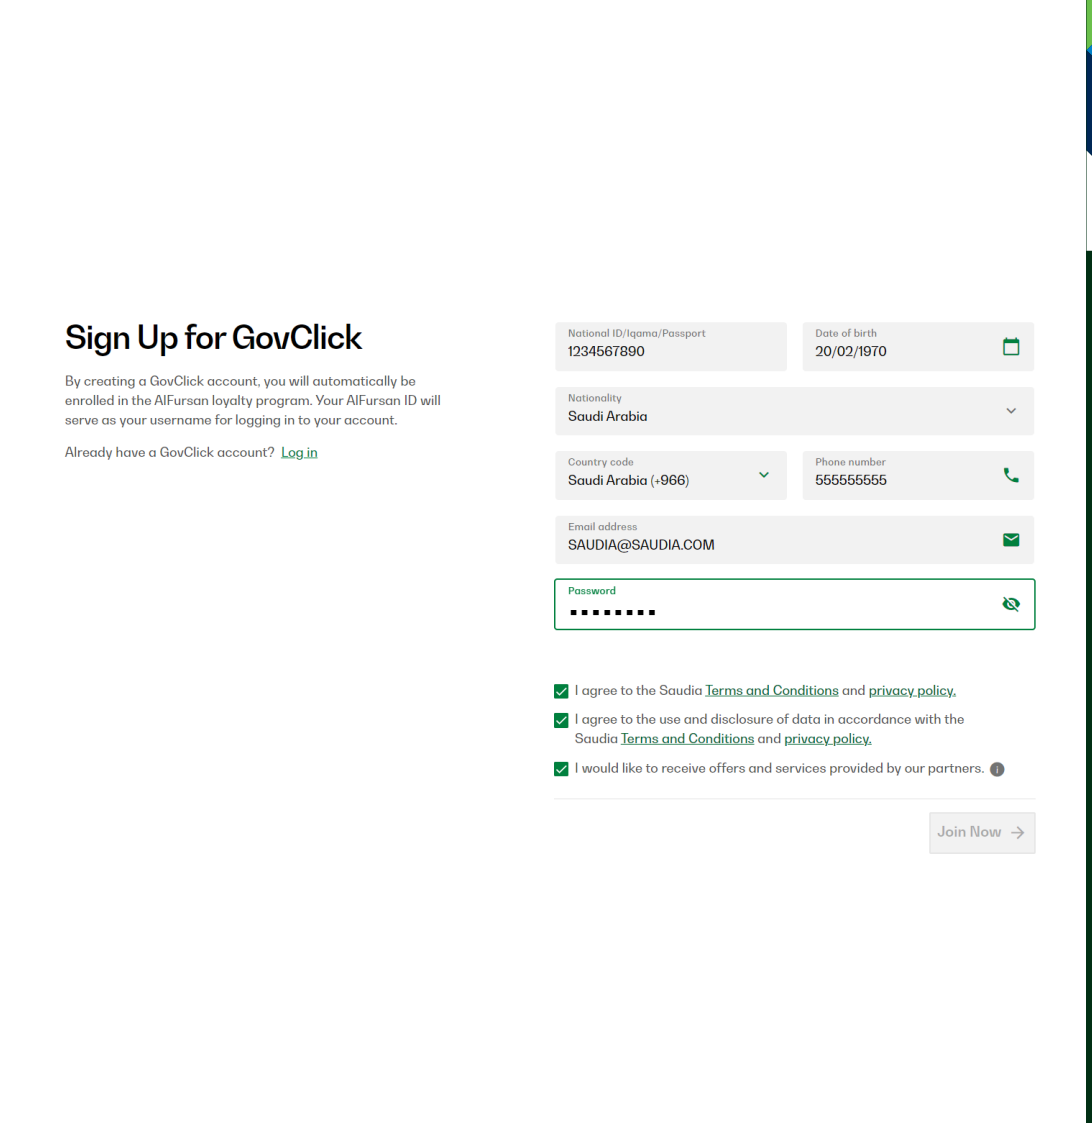

Choose "Government Ticket (GovClick)".

Select "Sign up" if you do not already have a membership in the AlFursan program.

You can sign up now by visiting
saudia.com/en-SA/Govt/GovernmentFares

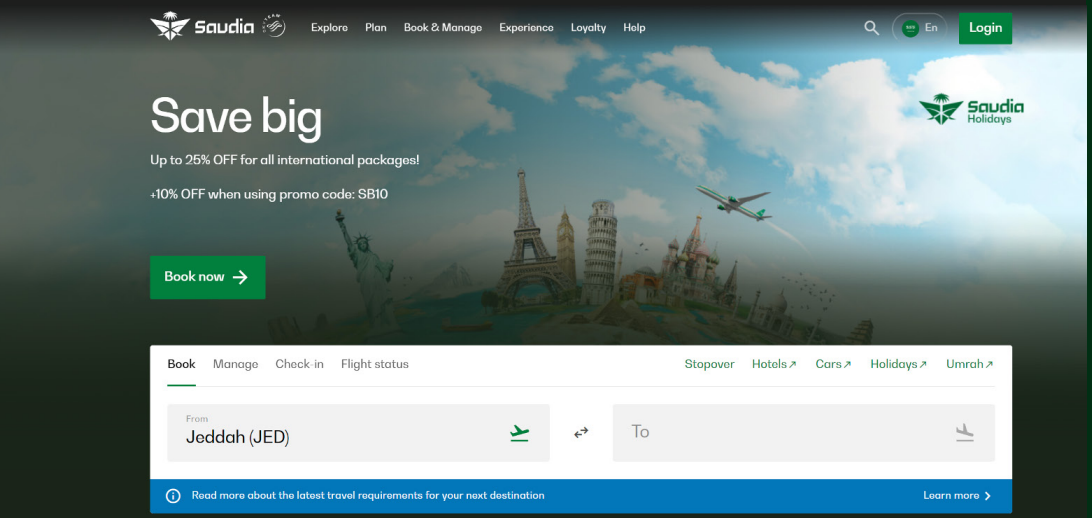

Enter your personal information and agree to the terms and conditions, then choose "Join Now".

Note: The mobile number entered must match the number registered in Absher.

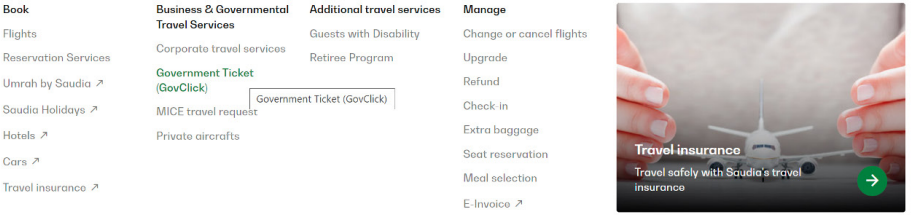

Step 2

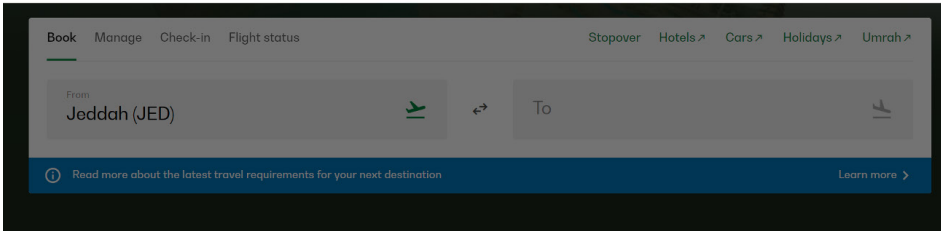

Log in

To log in to GovClick,
visit the saudia.com website
and select "Book & Manage".

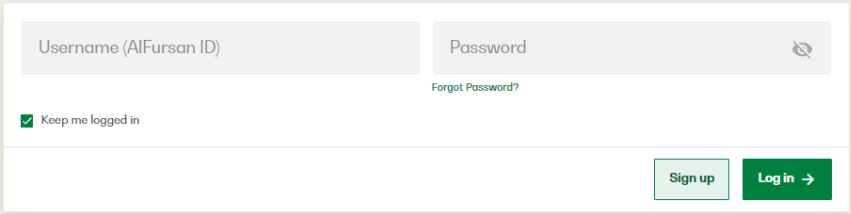

Choose the "Government Ticket (GovClick)".

Government Digital Wallet (GovClick)

Government employees are eligible for government fares for any trip around the world.
The best way to benefit from the travel perks on all of Saudia's flight.

How it works

Terms and Conditions

You can log in now by visiting
saudia.com/en-SA/Govt/GovernmentFares

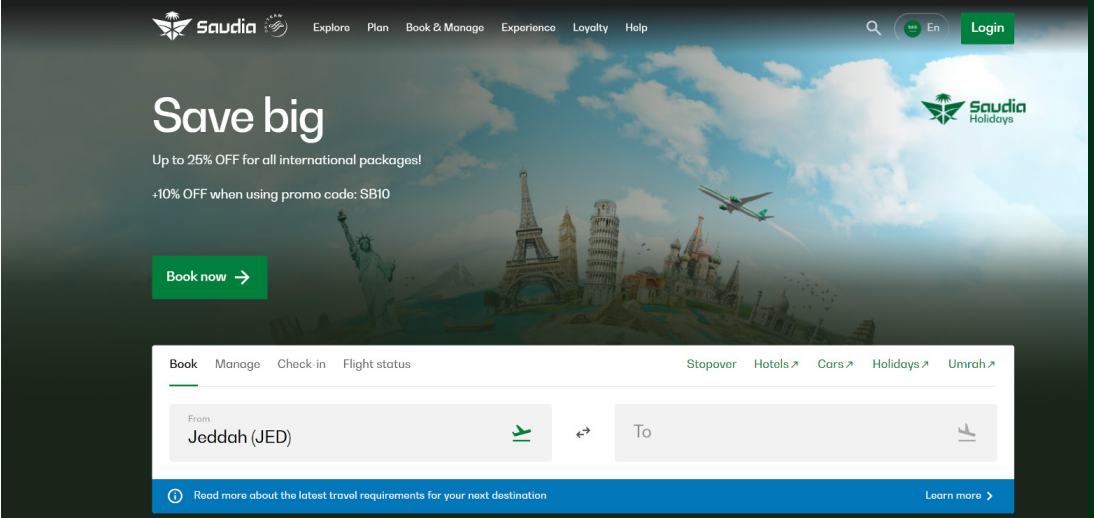

Enter your AlFursan membership number and password to "Log in".

Upon entering the required information, you will receive a verification code via SMS to your registered mobile number.

Step 3

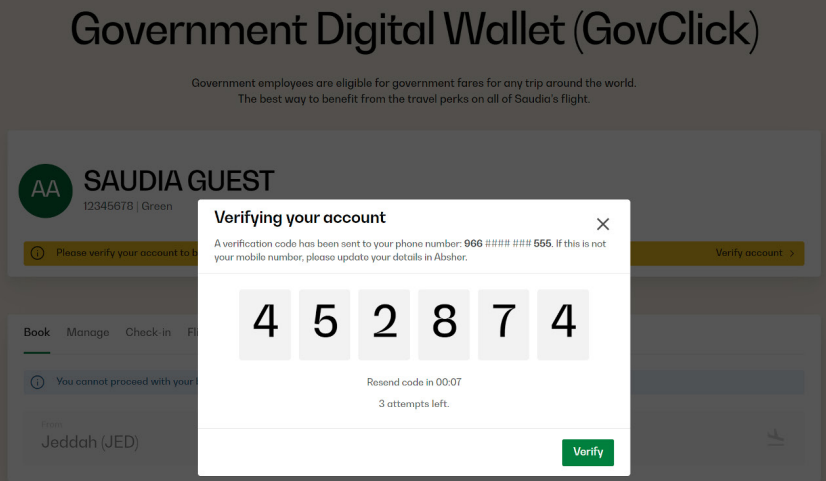

Account Verification

You will be redirected to the main page, which includes your personal information and your AlFursan membership number.

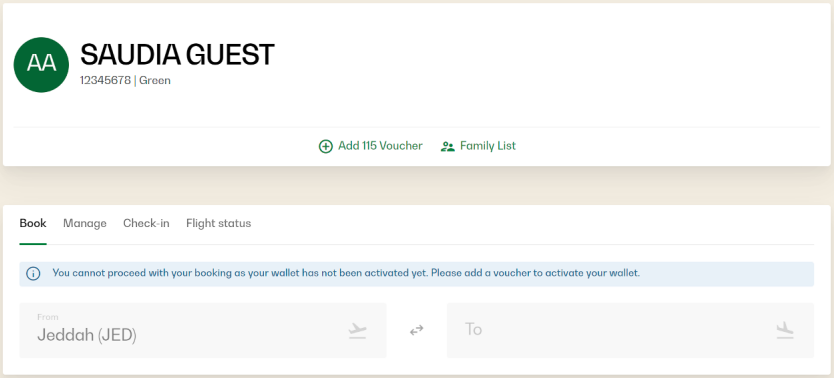

Then you will be asked to authenticate your account by completing the steps for "Verify account".

A verification code will be sent to your previously registered mobile number. Enter the 6-digit code, then press "Verify" to proceed.

Government Digital Wallet (GovClick)

Government employees are eligible for government fares for any trip around the world.
The best way to benefit from the travel perks on all of Saudia's flight.

About the program

Benefits

In line with Saudia's digital transformation objectives, (GovClick) is a newly developed digital wallet solution that offers unique benefits to government travel order beneficiaries by allowing them to use their tickets and vouchers.

As a leading platform in the aviation industry, it has the following features:

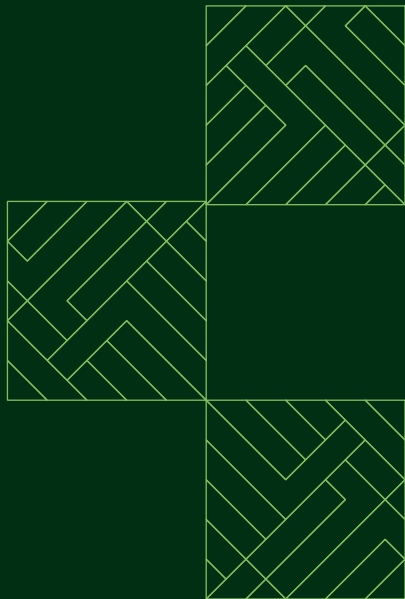

- Simple account creation via email login.
- Access the self-service (GovClick) portal to transfer tickets and vouchers to the wallet in a timely and secure manner.
- Instant and effortless use of the wallet balances to book and issue tickets at special government rates for all family members.

You will be redirected to the main page of GovClick once you have completed all the steps to confirm your information.

Your personal information will be displayed, and you will be allowed to fully utilize all the services of GovClick.

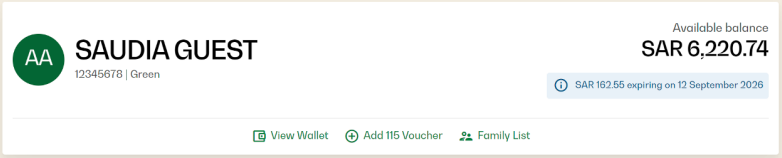

Step 4

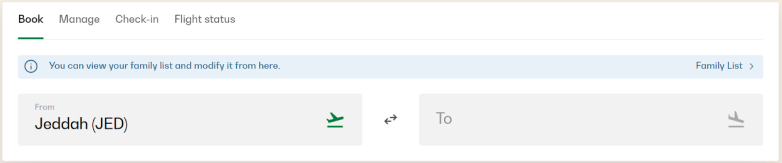

Adding Family Members

Government Digital Wallet (GovClick)

Government employees are eligible for government fares for any trip around the world.
The best way to benefit from the travel perks on all of Saudia's flight.

About the program

Benefits

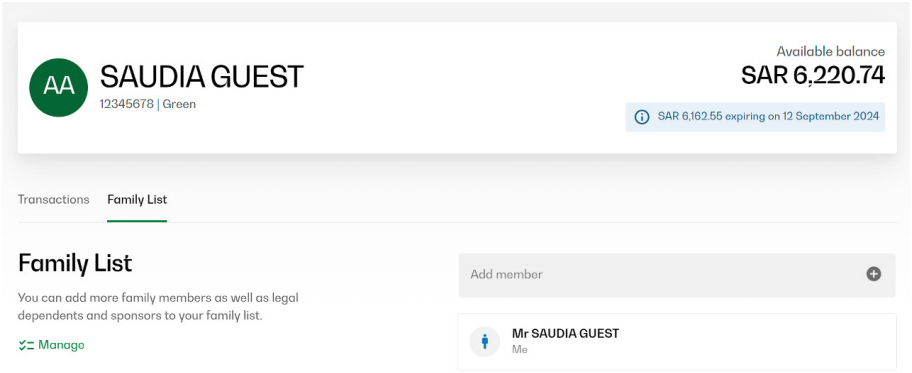

In line with Saudia's digital transformation objectives, (GovClick) is a newly developed digital wallet solution that offers unique benefits to government travel order beneficiaries by allowing them to use their tickets and vouchers.

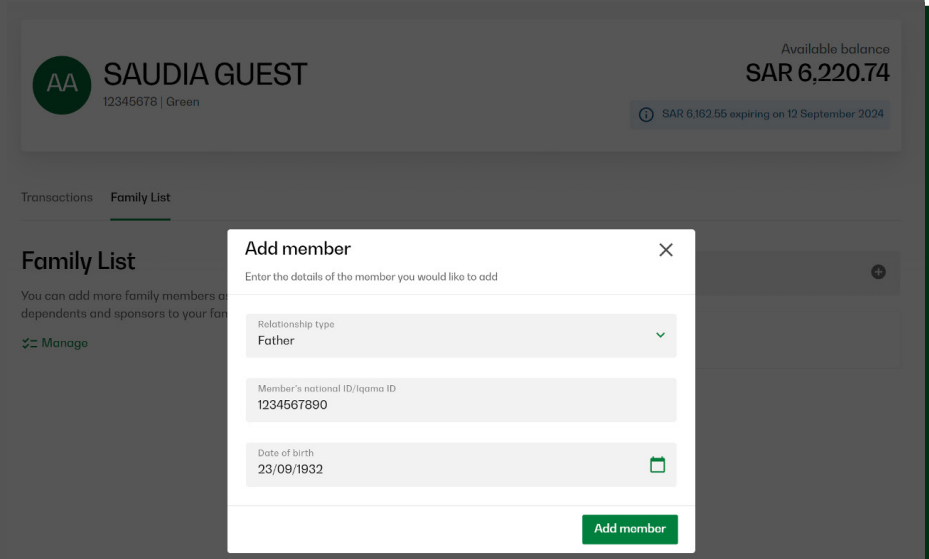

As a leading platform in the aviation industry, it has the following features:

- Simple account creation via email login.

The booking has been cancelled and the details have been sent to your email.

Step 6

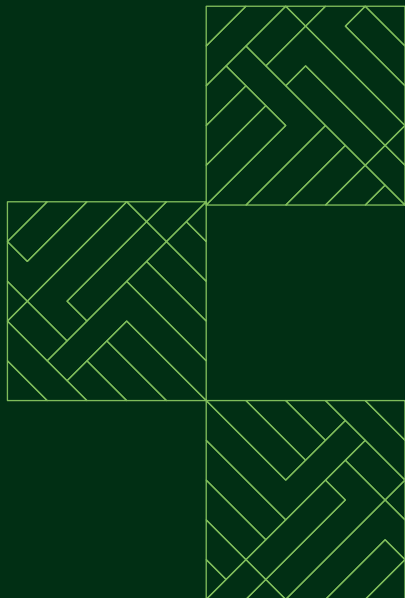

Transaction History

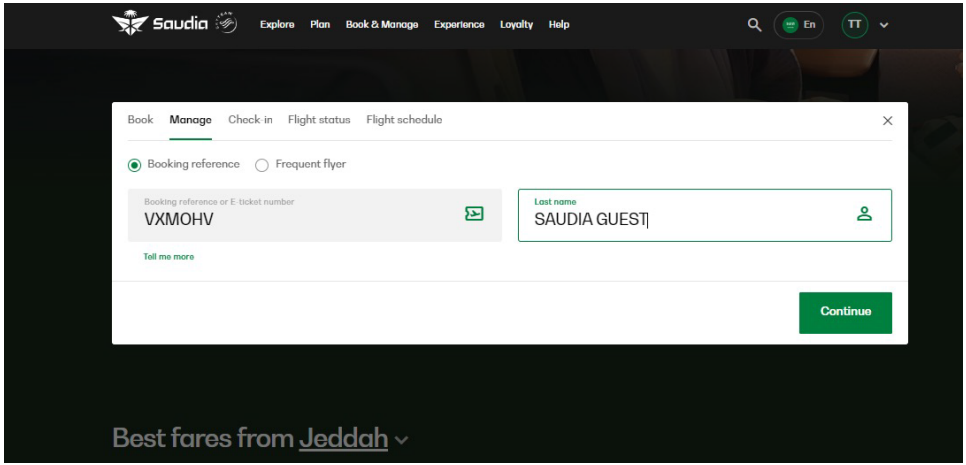

You can view the history of account transactions from the main page by selecting "Transactions", sorting and categorizing them according to your preference.

Step 7

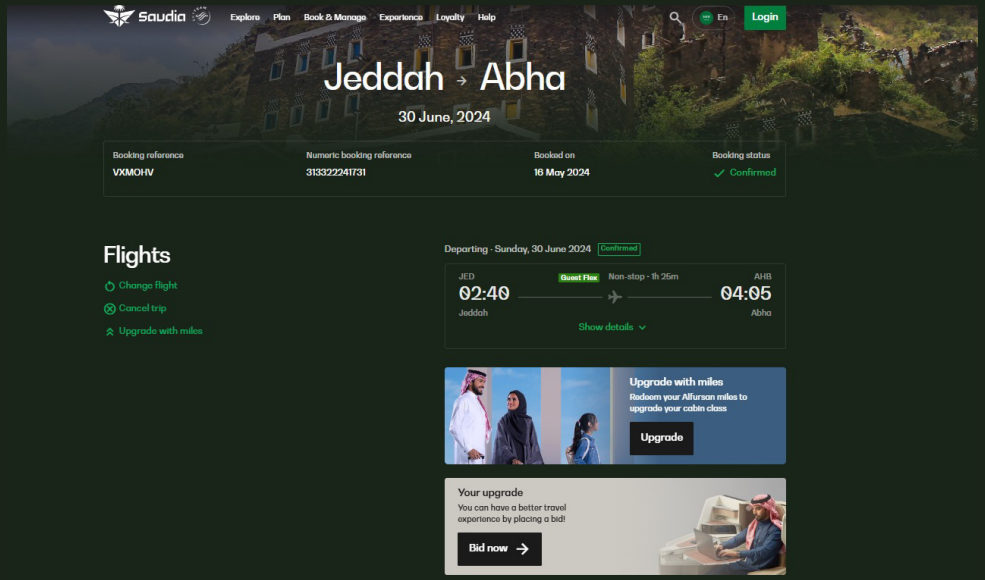

Manage My Booking

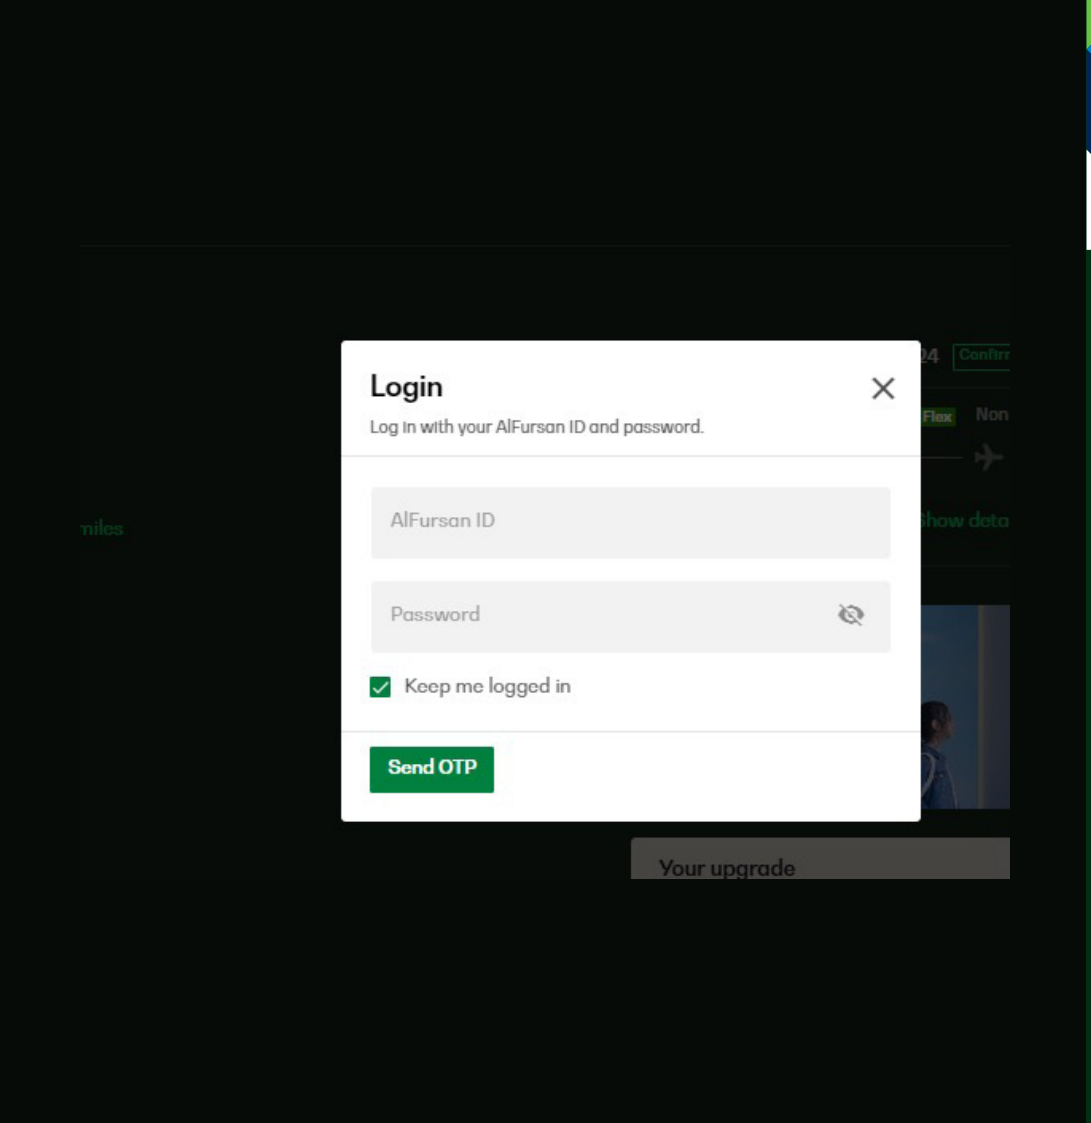

Visit "Manage My Booking" on the Saudia website.

Retrieve your ticket details using the booking reference number or E-ticket number and last name.

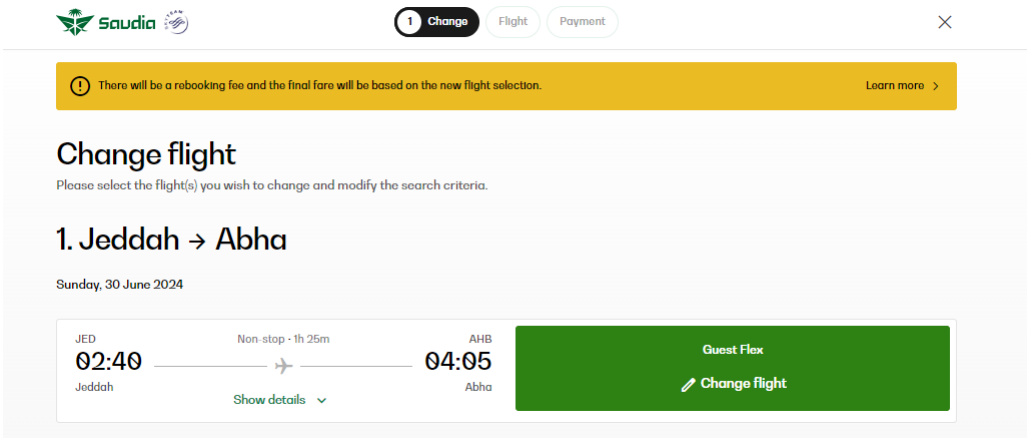

To change your flight booking, select "Change Flight" and log in with your AlFursan credentials. After logging in, you can update your travel destination, flight date/time, or cabin class.

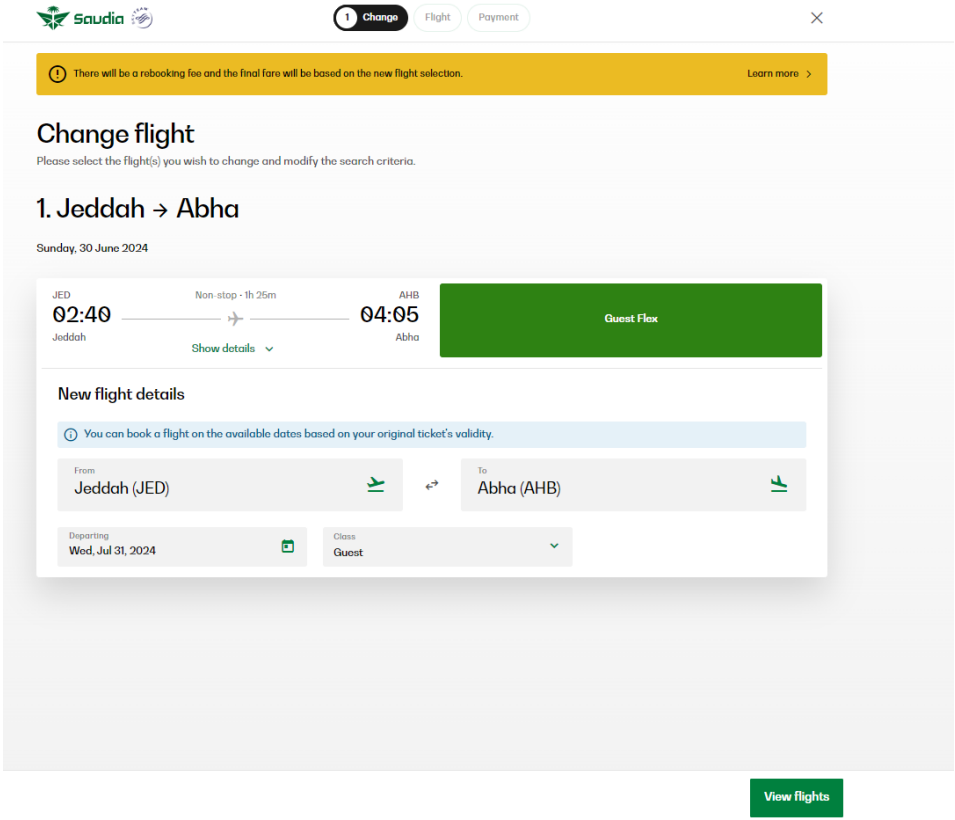

To change flights for accompanying family members, ensure your GovClick account is verified, then easily add them to your booking.

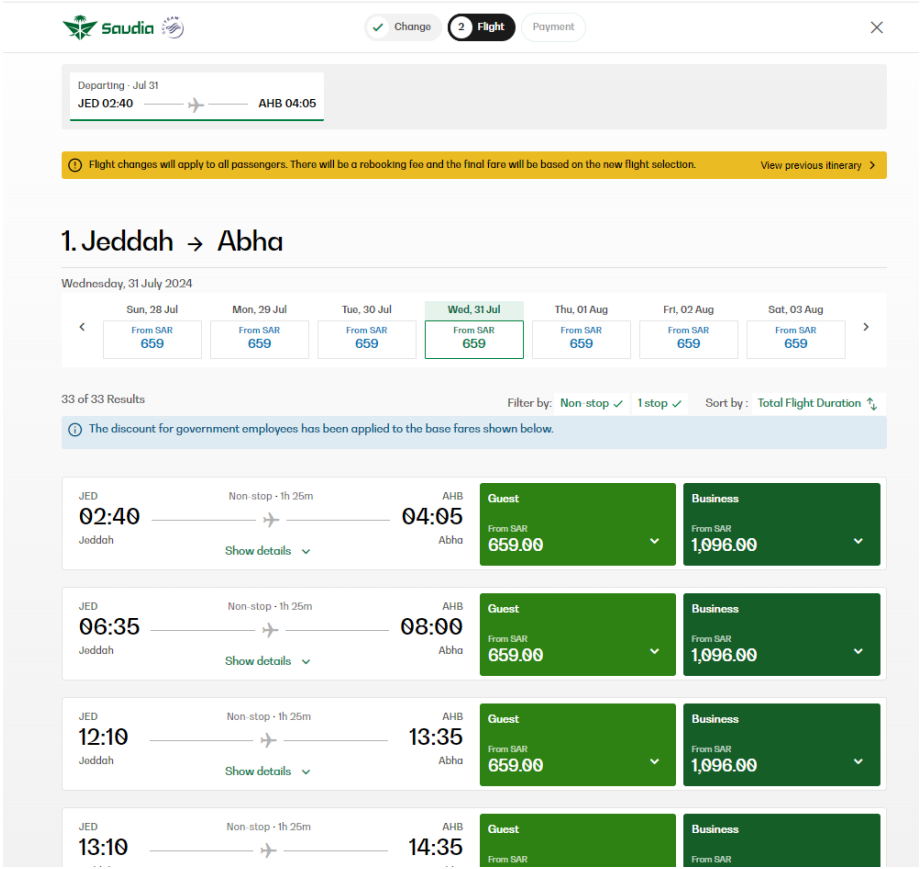

Enter your AlFursan membership number and password to "Log in".

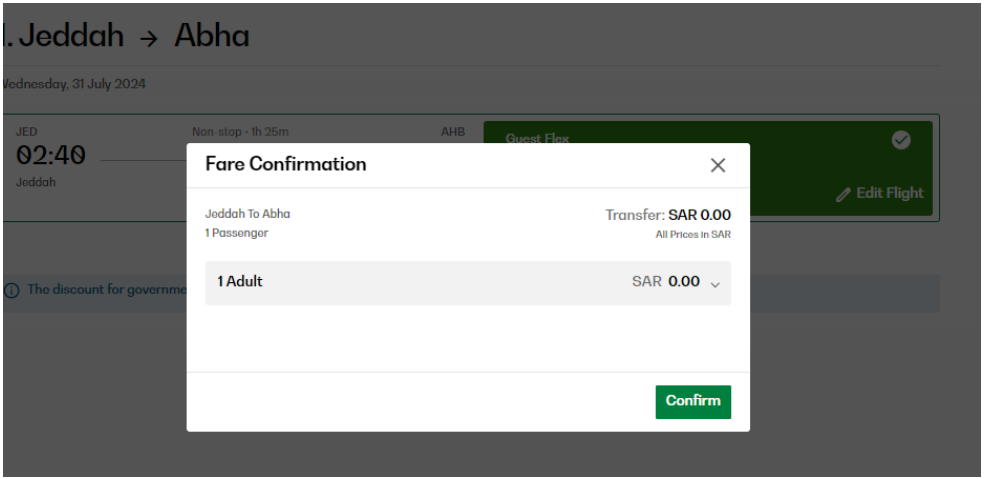

Select the flight(s) you wish to change.

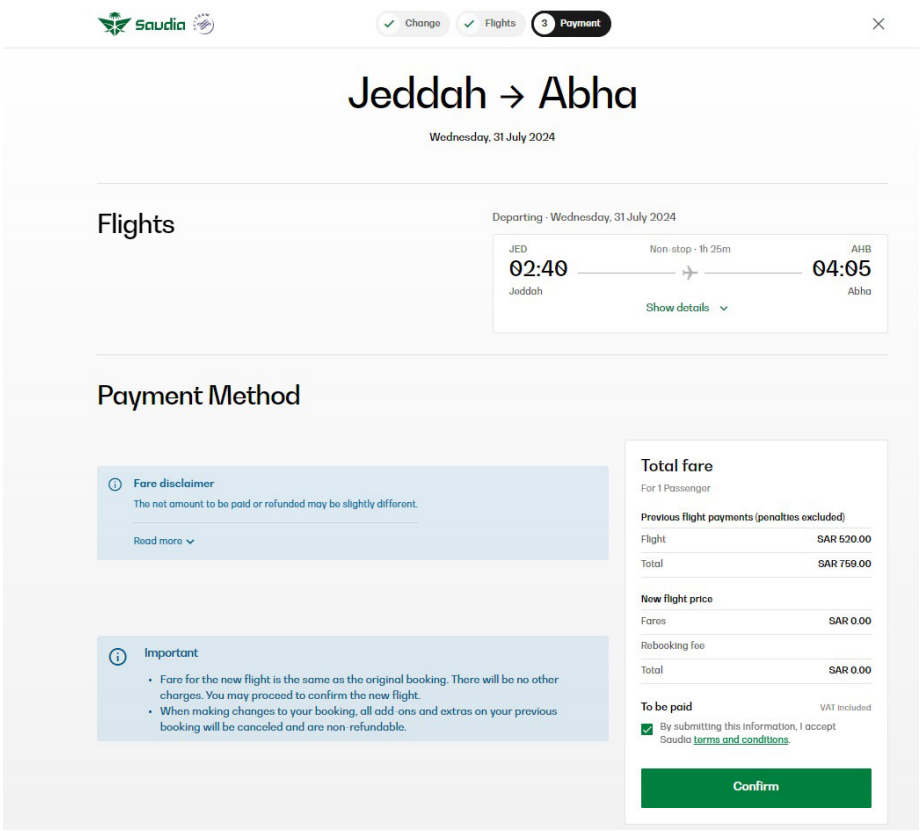

Enter your new flight(s) details.

Choose your preferred flight.

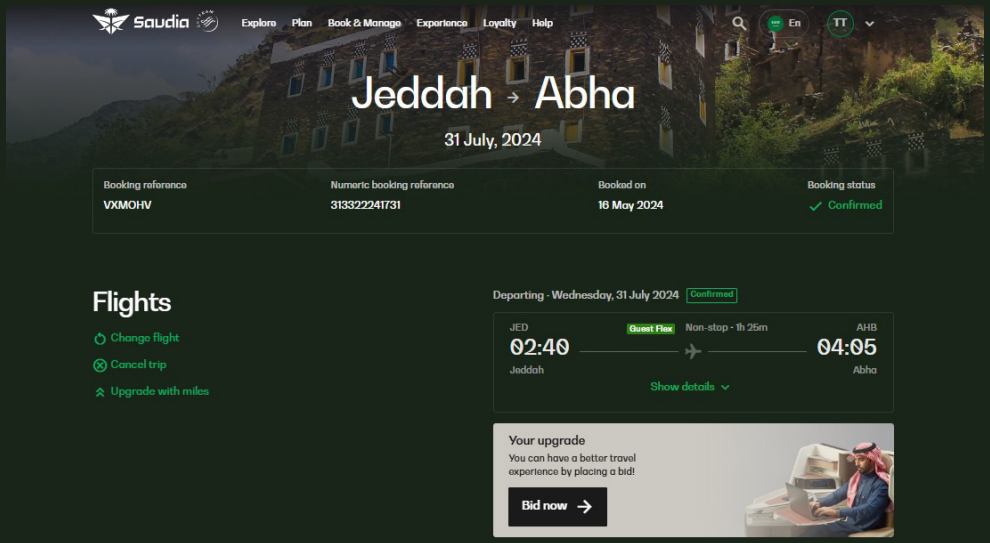

Add the required information and click on “Confirm”.

If your new flight has a higher fare, conveniently pay the difference using your credit, debit, or MADA card.

If your new flight has a lower fare, you will receive the eligible refund balance as an E-document by email.

To cancel your flight, click on "Cancel trip" and receive the refund amount in your wallet. (Please create an account on GovClick: GovClick Registration)
