Prevailing Situation in Kuwait and the Region - FAQs for Indian Nationals in Kuwait

(as on 7 March 2026)

Q1. What would the Embassy advise Indian nationals regarding the current security situation in Kuwait?

The Embassy has been closely monitoring the evolving security situation in Kuwait and the region since the beginning of hostilities on 28 February 2026. Close contact is being maintained with the Kuwaiti authorities and the Government of India on the matter.

The current situation is exceptional, and your understanding is appreciated. Indian nationals are advised to:

i. Remain calm and do not panic;
ii. Exercise caution while remaining vigilant;
iii. Remain indoors as much as possible and avoid unnecessary outdoor activities;
iv. Follow official guidelines issued by the Kuwait Government and the Embassy;
v. Check official sources of information and do not believe in or spread rumours or unverified information;
vi. Do not undertake any aerial photography; do not use drones.

Q2. What is to be done if one sees a missile, drone, or foreign object falling?

These objects may be dangerous or may contain explosive material and could detonate. The Kuwait Army guidelines are:

i. Do not approach the object or the impact site and keep a safe distance;
ii. Do not gather around the location and prevent others, especially children, from approaching the location to ensure everyone's safety;

iii. Do not photograph the site or spread rumours on social media;
iv. Immediately report the location and incident to the authorities concerned by calling **112**.

Q3. Alarm sirens and sounds of explosions are being heard in Kuwait. What are the measures taken by the Embassy to ensure the safety of Indian nationals in Kuwait?

The Government of Kuwait has issued guidance to residents to remain calm and vigilant when hearing sirens and take safety precautions, such as staying indoors and away from windows, to minimize the risk posed by falling debris or shrapnel. Also see Qs 1 and 2.

All Indian nationals are requested to follow official updates/guidance issued by the Government of Kuwait and the Embassy of India in Kuwait.

In case of emergency or for queries, the Embassy may be contacted by calling the **24×7 helpline +965 6550 1946** or by sending **an email to community.kuwait@mea.gov.in**.

Q4. How does an Indian national reach the Embassy for emergency assistance?

The Embassy has set up a dedicated Helpline to address queries arising due to the current situation in Kuwait and the region. Indian nationals requiring assistance or having queries may contact the Embassy at the following:

24×7 Helpline: +965 6550 1946

E-mail: community.kuwait@mea.gov.in

Q5. How does one see advisories, updates, and information issued by the Embassy?

The Embassy posts advisories, press releases, updates, and information on its social media platforms. One may see these by accessing the Embassy's social media accounts as follows:

https://x.com/indembkwt

https://www.facebook.com/indianembassykuwait

https://www.instagram.com/embassyofindia_kuwait

https://indembkwt.gov.in/index.php

Q6. Are consular services being provided by the Embassy?

All consular services are continuing as usual. The Embassy's four Indian Consular Assistance Centres (ICACs) are operational following Ramadan working hours (9:00 am – 3:00 pm), with Fridays being closed. The ICACs are:

i. Kuwait City: 3rd Floor, Al Jawhara Tower (same building as Indigo Airlines), Ali Al Salem Street
ii. Jleeb Al Shouyakh: M Floor, Nesto Hypermarket Building (Old Olive Hypermarket)
iii. Fahaheel: Al Anoud Shopping Complex, M floor, Mekka Street
iv. Jahra: Al Khalifa Building, Building No. 27, 2nd floor, Office nos. 3 and 14, Block 93

Q7. Due to the temporary closure of Kuwaiti airspace and resulting flight cancellations, some transit passengers are stranded in Kuwait. What measures is the Embassy taking to assist stranded airline passengers?

Kuwaiti airspace has remained temporarily closed since 28 February 2026 due to the regional security situation, and commercial flight operations are suspended until further notice. The Embassy has been closely coordinating with the respective airlines and the Kuwaiti authorities to assist the transit passengers stranded in Kuwait.

The stranded passengers have been advised to follow updates from the airline's official channels. Information on the possibility of traveling out of Kuwait to Saudi Arabia, along with details of tour operators and transport, was shared by the respective airlines and the Embassy with the stranded passengers. Those who expressed willingness to travel to their onward destinations via various airports in Saudi Arabia are being facilitated with a Saudi Arabia Visa by the Embassy.

Please note that travel from Kuwait is the passenger's own decision, and the passenger pays all charges.

Q8. For those visiting Kuwait on short-term Visitor Visas that may be expiring, how can one get the visa renewed? Will the Kuwaiti Government impose any fines?

Kuwait's Ministry of Interior has announced that visit entry visas that have expired or are about to expire will be automatically extended by one month starting 28 February 2026. The extension will be applied automatically through the electronic system without the need to visit the residency affairs departments. There is a full exemption from fees or fines during this period.

Q9. What can Indian nationals do whose Kuwait residency permits are due to expire while they are in India or outside Kuwait?

Kuwait's Ministry of Interior has announced that residents currently outside Kuwait who have exceeded the permitted absence period and are unable to return to Kuwait will be granted an automatic additional absence period of three months, with exemption from related fees and fines.

Q10. Can Indian nationals who have urgent commitments (marriage, family exigencies, etc.) and wants to go to India do so?

Indian nationals are advised to remain where they are in view of the present situation till reopening of Kuwait airspace. The current situation is extraordinary, and your understanding is appreciated. In case of exceptional emergencies, may please send e-mail with details to community.kuwait@mea.gov.in.

Q11. Is there any need for evacuation from Kuwait? Are there any evacuation plans in place by the Embassy?

The Embassy does not see a need to evacuate from Kuwait at this time. Kuwaiti authorities are ensuring the safety and security of Indian nationals. You are advised to follow official guidelines, exercise caution, and stay in close contact with the Embassy.

Q12. Are there options available for Indians to travel out of Kuwait?

Within the constraints of continued airspace closure, the Embassy, along with respective airlines and Kuwait authorities, has been facilitating airline passengers stranded in Kuwait and Indian nationals visiting Kuwait on short-term visitor visas to travel by road across the border to Saudi Arabia for onward journeys. Travel from Kuwait is the passenger's own decision, and the passenger pays all charges.

Indian nationals who are long-term visa holders and are ordinarily resident in Kuwait are advised to remain in place, exercise caution, and follow advisories issued by the local authorities and the Embassy.

Q13. Do Indian nationals need to register with the Embassy?

All Indian nationals are encouraged and advised to register with the Embassy irrespective of the current extraordinary situation. Registration Form is available on the Embassy's website at https://www.indembkwt.gov.in/online-registration-for-indian-kuwait.php.
